

*A Company Specializing in Environmental Protection and Remediation Technologies*

**For Immediate Release**

**ENPAR RECEIVES “PRIME” RATING BY OEKOM RESEARCH AG**

October 1, 2009, Dr. Gene Shelp, President and CEO of ENPAR Technologies Inc. (“ENPAR”), is very pleased to announce that ENPAR has received an overall “Prime” Rating of B” by Oekom Research AG, which is located in Munich, Germany ([www.oekom-research.com](http://www.oekom-research.com)).

A Prime company ranks among the world’s best companies within the same industry and fulfills the sector-specific minimum requirements defined by Oekom Research. The average Prime Rating for companies in this corporate sector is B-.

The overall rating is based on both social and environmental components. ENPAR scored A- (excellent) on the Environmental Rating.

Oekom Research AG is one of the world's leading independent rating agencies with over fifteen years of experience in the field of sustainable investment. It provides a transparent and scientifically-based evaluation of the environmental and social performance of companies and countries to the international investment community.

Dr. Gene Shelp, President and CEO, stated, “A very positive rating by Oekom Research AG is a major step towards introducing ENPAR to international ethical and environmental investment funds in order to establish a powerful shareholder base with a long-term investment horizon. A stable shareholder base will greatly assist ENPAR in executing its corporate growth and marketing strategies.

**About ENPAR Technologies Inc.**

ENPAR is a “Technology Company” applying its patented and proprietary “Electrochemical Technologies” to the treatment of waste water and drinking water contaminated by metals or nutrients, i.e., nitrate/ammonia associated with the mining, metal processing, chemical, agricultural, municipal and waste management sectors.
